

## LOCAL DEPARTMENT.

**The Louisville Journal** has received reliable information that a plot is being hatched to carry out of the Union that portion of Kentucky lying west of the Tennessee river. We may expect to hear of warm work in that vicinity soon.

**Hackberry.**—A considerable number of Capt. Hager's company, under Sergeant O'Marra, was in the city yesterday, being up for recruits. We understand they enlisted eleven new recruits. This company is well officered, and those who desire to take an active part in chastising the traitors, should enroll their names at once.

**Camp Vigo.**—The regimental drill yesterday at Camp Vigo, passed off very creditably. The several companies gave token of being under the hands of good drill officers, and marched and wheeled with the steadiness of regulars. Col. Kimball is proud of his regiment, and justly—as we have seen no finer body of men in any regiment in the State.

**Courtesy of Senator Douglas.**—The Indianapolis *Journal*, of yesterday, contains the following in relation to Senator Douglas:

**Chicago, May 30.**—Up to last night it was thought Senator Douglas was better. Since then he has been gradually sinking. Fears are entertained by his friends and physicians that he will not survive through the night.

We are informed upon the very best authority that a man by the name of J. B. Oney, from Terre Haute, was in town yesterday, and said in conversation with several individuals, that from the course which Stephen A. Douglas has pursued he hoped that he never would recover. This man has been a negro and had, we believe, several other offices in Terre Haute. We hope that Stephen A. Douglas will live long enough to see all such traitors hung—*Prairie (Paris) Beacon*.

We had supposed that Oney expected to "go to Douglas" when he died. What's wrong now? Does Senator Douglas have the Union too well?

**Indiana Regiments.**—We find the following among the oftentimes special correspondence of the Cincinnati *Commercial* of yesterday:

The Indiana Regiments are on the border or on route.

9th, Col. Milroy, was at Bellair at noon; 6th, Col. Dumont, passed through here at noon, and another one goes through to-night.

The camp equipage and part of the accoutrements of the 11th Indiana Regiment, as burned last night at Urbana. As far as possible the loss was supplied by order of Gov. Dennison.

At Bellair the Indiana volunteers were hospital care for by Lieutenant B. H. Cowan.

**Camp Vigo Hospital.**—There are ten patients in the hospital at Camp Vigo. Most of the cases are febrile and none are considered dangerous. Many noble fellows of this city have taken pains to render the condition of the sick as comfortable as possible, by furnishing beds, quilts, pillows, &c., and by taking turns in nursing and cooking for the sick. The blessings of the regiment, for these acts of kindness are universal and fervent. Surely they shall have their reward.

To-day the Hospital will be enlarged, and we are requested to make a call upon the generosity of our citizens for coats, single mattresses or ticks to fill, sheets, pillows, and quilts. Our people never weary in well doing, so we have full confidence that they will respond to the call.

**PERSONAL.**—We had the pleasure of meeting last night Col. Lew. Wallace of the 11th Regiment, who in company with Commissary Ryce, was stopping in our city over night. Col. Wallace has been at Indianapolis to urge the claims of the Zouaves, for a chance to show their mettle. We do hope their prayers will be heard. The Zouaves are the favorites of the State, and their officers are not surpassed by any in the State in gallantry or military knowledge, and Indiana desires and expects the Eleventh Regiment to have the opportunity to assist in avenging the dishonor offered our State and to the American flag by Jeff Davis and his traitor hosts. Indiana should have her best regiments in active service. The eleventh is one of the best at least. Catching steamboats and catfish is not the duty that should be assigned them.

Col. Wallace and Commissary Ryce are both in fine health.

**UNION MEN RALLYING.**—We have all the while been persuaded that the masses of the people in the South were loyal to the Union, and thousands who are ready to fight in the Confederate army, are there simply because they have been deceived by the leaders who have raised this rebellion for the purpose of robbery and outrage. The rallying of the Union men in Missouri—in Kentucky and in western and even eastern Virginia, are evidences of this. By a recent arrival from Key West, we have information of volunteer Union companies being formed by citizens who had been overawed by the traitors, but who, so soon as they found themselves protected by the Federal troops, rallied to the "loved old flag." Thus it is all over the land, and wherever the armies of the Union may march, they will find those, and in large numbers too, who will hail them with unbounded joy as their saviors and deliverers.

**OLD SCHOOL PRESBYTERIAN CHURCH.**—For several days past the General Assembly of the Old School Presbyterian Church has had under discussion certain resolutions, asserting the loyalty of the Church to the Federal Government. Among those who opposed the adoption of the resolutions, not one denied the loyalty of the Presbyterian Church or ignored his own allegiance. They argued that the loyalty of the Church had never been questioned, and with the single exception of the Synod of South Carolina, the entire Church throughout the South was with the Union, and that it was the only Church, with the exception of the Catholic, which adhered to the Union in the South. They deemed it expedient to keep quiet on the subject.

A vote to lay Dr. Spring's resolutions on the table was lost, by a vote of 74 yeas against 139 nays. Many Northern ministers voted in the affirmative. The result will, no doubt, be the division of the Presbyterian Church, as has been the case with all the other churches.

## TELEGRAPHIC NEWS.

**From Baltimore, May 31.**—A steamer from Fort Monroe which left there yesterday, arrived here. Gen. Butler spent Monday at Newport, where the greatest confusion has prevailed from want of experience on the part of the Quartermaster and commissaries, provisions not having been promptly distributed, foraging parties provided liberally for themselves and in some instances wantonly destroyed property.

Col Phelps of the Vermont regiment is now in command of the post.

Shortly after midnight a party of disorderly men approached the picket guard on Federal Hill. The camp guard hailed them twice but receiving no reply they fired on them and wounded one man and arrested six. Four of them, after examination, this morning, were discharged. The other two were detained for investigation.

Extensive war preparations were making at Fort Monroe; troops were pushed forward rapidly towards the interior and it was thought an attack on Norfolk, by a circuitous route, was shortly to be made.

Geo. B. Tucker of Baltimore, Butler's clerk at Monroe, was arrested on a charge of holding communication with the enemy. He was sent to Fort McHenry and arrived this morning.
